Subject: Telecommunications Service to the **Job Ready Site**

TSC is a progressive independent Telephone Company serving Wapakoneta since 1895. TSC is capable of providing a unique level of service that meets and in most cases exceed those services available in metropolitan areas. TSC has invested in the latest state-of-the-art infrastructure and equipment and provides competitive telecommunications to thousands of customers. Our bright.net affiliate located in Wapakoneta is the aggregation point for all of Ohio's Independent Telephone Companies with diverse paths to the Internet backbone.

TSC currently has the following services available at the Job Ready Site:

1. Fiber optic cable to the entrance of the Job Ready Site
2. Fiber optic Rings and geographical diverse paths from our C.O. to the Toledo Tandem, Lima Tandem and Celina Ohio Tandem.
3. TSC has two Taqua T-7000 Switching Systems with SIP trunk capability as well as TDM and other conventional services such as PRIs.
4. TSC provides hosted IP Centrex service via its Broadsoft platform and has over 1800 IP Centrex endpoints in service.
5. TSC provides Metro-Ethernet service and ETS (Ethernet Transport Service).
6. TSC operates a 10 Gb ring with Cisco 7609 router/switches in Wapakoneta, Cridersville and St. Marys and is connected to the IFN network ring covering Northwest OH with the same service. <http://www.ifnetwork.biz/map.php>
7. TSC would be able to provide a fully protected fiber ring to a Job Ready Site upon request.

We look forward to welcoming new customers and guarantee customer satisfaction for all your communications needs.

Sincerely,
